## DIRECTIONS TO REPRODUCTIVE ENDOCRINOLOGY & INFERTILITY (REI) SITES

### Providence, RI – One Blackstone Place

**From points north:** Take I-95 South to Exit 19 – Eddy Street. Turn left at the bottom of the ramp onto Eddy Street. Take first left onto Blackstone Street, and make an immediate left into the parking lot. Our office is on the first floor.

**From points south:** Take I-95 North to Exit 18 – Thurbers Avenue. Bear left off the ramp underneath the highway, and proceed to the second traffic light. Turn right onto Eddy Street and follow for approximately one mile. Go through one traffic light and turn right onto Blackstone Street just before a second light, and make an immediate left into the parking lot. Our office is on the first floor.

**From I-195 West:** Take I-195 West to I-95 South to Exit 19 – Eddy Street. Turn left at the bottom of the ramp onto Eddy Street. Take first left onto Blackstone Street, and make an immediate left into the parking lot. Our office is on the first floor.

### East Greenwich, RI – East Greenwich Medical Office Building, 1050 Main Street

**From points north:** Take I-95 South to Exit 9 - Route 4. Take Exit 8 – East Greenwich, and bear right onto Route 401 (Division Street), and follow to the end. Turn right at traffic light onto Main Street, and follow for 1/4 mile. Turn left into Greenwich Village Plaza at 1050 Main Street, where Women & Infants is clearly marked on the building.

**From South County:** Take Route 4 North to Exit 6 – East Greenwich, Route 2, and take a left onto Route 2. Follow to first set of lights, and take a right onto Frenchtown Road. Follow to the end, and take a left onto Route 1 North. Follow for approximately two miles. Turn left into Greenwich Village Plaza at 1050 Main Street, where Women & Infants is clearly marked on the building.

**From points south:** Take I-95 North to Exit 8A/ Route 2 – East Greenwich. Take a left onto Route 401 (Division Street) and follow to the end. Turn right at traffic light onto Main Street, and follow for 1/4 mile. Turn left into Greenwich Village Plaza at 1050 Main Street, where Women & Infants is clearly marked on the building.

### South Kingstown, RI – South County Commons, Route 1/South County Commons Way

**From Providence:** Take I-95 South to Route 4. Route 4 becomes Route 1. Stay on Route 1 until you see signs for the South County Commons on the right. Our building is

the second on the right after Applebee's, and it is marked "Care New England Center for Health." Take the elevator to the second floor. Exit to the right to enter our office.

### Woonsocket, RI – Cumberland/Woonsocket Medical Office Building, 2168 Diamond Hill Road

**From Providence:** Take I-95 North to Exit 23/Route 146 to Woonsocket. Continue on Route 146 for eight miles. Bear right at the exit for Route 295/Route 99, and follow signs to Route 99. Turn left at the end of Route 99 onto Mendon Road. Just before the third traffic light, bear right, continuing on Mendon Road. At the fourth traffic light, turn right onto Diamond Hill Road/Route 114. We are located 0.9 miles on the left in the Pavilion Plaza.

### Swansea, MA – Swansea Medical Office Building, 2200 GAR Highway

**From Providence:** Take I-195 East to exit 2, Newport exit (Rt. 136). Bear right off exit, take a left at traffic light (Rt. 6), travel about 1/4 mile and building is on your right, 2200 GAR Hwy. (Rt. 6). Pass building and take right onto Stoney Hill Rd. Parking lot entrance is on the right, follow driveway around to front of building.

**From Fall River:** Take I-195 West exit 2, Newport exit (Rt. 136). Take a left off exit, take a left at traffic light (Rt. 6), travel about 1/4 mile and building is on your right, 2200 GAR Hwy. (Rt. 6). Pass building and take right onto Stoney Hill Rd. Parking lot entrance is on the right, follow driveway around to front of building.

**From Bristol/Warren/Barrington:** Follow Rt. 136 to the traffic light at Rt. 6. Take a right onto Rt. 6, travel about 1/4 mile and the building is on your right, 2200 GAR Hwy. (Rt. 6). Pass building and take right onto Stoney Hill Rd. parking lot entrance on right, follow driveway around to front of building.

### Fall River, MA – Women & Infants' Breast and GYN Consultative Services, 373 New Boston Road

**From Providence:** Take I-195 East over the Braga Bridge to Exit 7. At the traffic light, take a left onto Plymouth Avenue. Follow Plymouth Avenue, which becomes 13th Street, going through three traffic lights. At the third traffic light, go straight onto Robeson Street. At the second traffic light, turn right onto New Boston Road. 373 New Boston Road is two blocks ahead on the right.

**From the north:** Follow I-95 South to I-195 East/Cape Cod. Follow directions above "From Providence."

**From Route 24 South:** Follow Route 24 South to Exit 5 – President Avenue/Eastern Avenue. Entering roundabout, take the second exit onto Rt. 6 East - N Eastern Avenue. Turn right onto New Boston Road. 373 New Boston Road is on the left.

**From Cape Cod:** Take I-195 West to Exit 7 – Plymouth Avenue, and take a right at the fork onto Plymouth Avenue which becomes 13th Street. Follow 13th Street until the second traffic light, and go straight onto Robeson Street. Follow Robeson Street to the second traffic light and take a right onto New Boston Road. 373 New Boston Road is two blocks ahead on the right

### Boston, MA – Tufts-New England Medical Center, 800 Washington Street

**From Providence:** Take I-95 North to I-93 North, take Exit 20 (Exit 20 is a two-lane ramp that services destinations to I-90 East, I-90 West, and the South Station area). Once on the Exit 20 ramp, follow the signs to "South Station" by staying straight (labeled 90 West/Worcester and South Station) and going past the left-hand exit to 90 East. Approximately 1/4 mile past the I-90 East ramp, the two lanes of the ramp will split again, with the left lane servicing "South Station" and "Chinatown" (this is the lane for use by Tufts-NEMC patients), while the right lane is labeled "90 West Worcester." Take the South Station/Chinatown route to the left. Once on the path to South Station, take a left at the second signal light (at Kneeland Street) toward Chinatown. Go straight on Kneeland Street for several blocks and turn left on Tremont Street. The Tufts-NEMC garage is on your left just past the Wang Center.

### Putnam, CT – Day Kimball Hospital, 320 Pomfret Street

**From Providence:** Take Route 6 West toward Hartford. Follow to Route 395 North toward Worcester. Take Exit 95 toward Kennedy Drive, turn right onto Kennedy Drive. Turn left onto Pomfret Street to the hospital.

## DIRECTIONS TO MATERNAL-FETAL MEDICINE (MFM) SITES

### Providence, RI – Women & Infants' Prenatal Diagnosis Center, 79 Plain Street

**From north of Providence:** Take I-95 South to Exit 19 – Eddy Street. Bear right on the exit ramp. At the light, take a right onto Eddy Street. At the next set of lights, turn left onto Point Street. Go up Point Street approximately one mile and turn left at the light onto Plain Street. You may

park in the fenced-in area on your right, and our building is just past the lot.

**From south of Providence:** Take I-95 North to Exit 18 – Thurbers Avenue. Bear left as you get off the exit and, at the second set of lights, turn right onto Eddy Street. At the third set of lights, turn left onto Point Street. Go up Point Street approximately one mile and turn left at the light onto Plain Street. You may park in the fenced-in area on your right, and our building is just past the lot.

**From east of Providence:** Take 195 West to Exit 2 – South Main Street to South Main Street. Take the first left onto James Street. At the bottom of James Street, turn left – pass the on-ramp to 195 East. Stay in the right lane and yield onto Point Street. Continue straight on Point Street to the second set of lights and turn left onto Plain Street. You may park in the fenced-in area on your right, and our building is just past the lot.

### Foxboro, MA – Foxboro Prenatal Diagnosis Services, 17 Cocasset Street

**From Providence:** Take I-95 North to Exit 7B toward Foxboro. Merge onto MA-140 North. At Foxboro Rotary turn right, and then take your first right off the rotary onto Cocasset Street to 17 Cocasset Street on the right.

**From Boston:** Take I-95 South to Exit 8/Mechanic Street toward Foxboro. Take a slight right onto Mechanic Street. At Foxboro Rotary turn right and drive three-quarters of the way around the rotary. Turn right onto Cocasset Street to 17 Cocasset Street on the right.

### New Bedford, MA – New Bedford Prenatal Diagnosis Services, 67 Brigham Street

**From Providence/Fall River:** Take 195 East to Exit 13A (Rt. 140 South). Follow Rt. 140 South until the end. At the first set of lights, go straight. At the second set of light, turn left onto Hawthorn Street. At the next set of light, go straight, crossing over Rockdale Avenue. Take the fourth right onto Brigham Street. 67 Brigham Street is on the right, at the corner of Ryan Street. We are located on the first floor of a white house directly across from a long brick building.

**From Boston/Taunton:** Take 24 South to Exit 12 (Rt. 140 South). Then follow directions "From Providence/Fall River."

**From Cape Cod:** Take 195 West to Exit 13A (Rt. 140 South). Then follow directions "From Providence/Fall River."
