6	79,828	6,653	3,327
7	90,003	7,501	3,751
8	100,178	8,349	4,175
Each additional Family member	+ \$10,175	+ \$848	+ \$424

* Figures are rounded upward to the nearest dollar

Effect on Family Size with a Pregnancy

An applicant who does not meet income eligibility requirements on the basis of their current family size and income shall be reassessed for eligibility based on a family size increased by one, or by the number of expected multiple births.

Note: Proof of multiple births is required following standard procedure.

In situations where the family size has been increased for a pregnant woman, the same increased family size should also be used for any of the categorically eligible family members.
